

## **GENERAL CONTRACTORS WANTED**

The Hopatcong Borough Office of Community Development is looking for General Contractors who are interested in rehabilitating homes in the Borough through our H.U.D Program.

Projects are awarded on a Low-Bid basis. Improvement projects include general carpentry, electrical, plumbing, heating systems, painting, roofs, windows and many combinations of the same.

Please call for an application to be added to our list of contractors that we will solicit proposals from for each project. In order to participate in the program, contractors must furnish evidence of public liability insurance coverage protecting the property owner for not less than \$1,000,000/\$300,000 in the event of bodily injury and \$100,000/\$100,000 in the event of property damage arising from the work performed by the contractor.
