

"The Borough of Hopatcong has partnered with the **Sussex South Chamber Council** of the **Sussex County Chamber of Commerce** to encourage economic growth for the businesses in our Borough. We encourage all of our local businesses to join us at our monthly meetings, second Friday of the month, 8 am. Though normally held at the Andover Diner, we are currently hosting these meetings via Zoom.

Membership in the County Chamber includes numerous benefits, such as a free monthly Business to Business Breakfast and numerous County-wide advertising opportunities.

Please contact Councilman Ryan Smith for details, rsmith@hopatcong.org.

SPECIAL NOTE: The Sussex South Chamber Council also hosts a Quarterly meeting in the evenings. The last one was held virtually via Zoom from the Hopatcong Diner on 4/21. Please contact us directly for information on the next one.

NOTE: The County Chamber Business EXPO, originally scheduled for April 1st, has been rescheduled to June 24th due to the COVID-19 outbreak."
